TALES OF *Two Cities*

OLD RIVALS

When Truck Lindsey's Chaffey Yellowjackets Friday afternoon at Graber field, the rivalry won't be anything new for the two coaches.

We learned this morning that back in the thirties Lindsey and Smith faced each other on the basketball court at Santa Ana. The Colton grid mentor at that time was playing with the high school squad while the Tiger coach was holding down a berth on the jaycee cagers.

To further show what a small world this is, after all, Dana McGaugh, who will cover the Chaffey-Colton fracas for the Daily News-Herald, had Smith as his track and football coach while he was attending school at Nogales, Ariz., in 1939.

PREDICTIONS

Due to the fact that there's lots of local sports news in your News-Herald today, the picturesque grid prediction by AP sports experts will be found on page 8 instead of page 5.

WANTS TO KNOW

We don't know whether Stan Shaw, Upland attorney, intends to go into the steel business or not but he did ask pretty leading questions at the Kaiser steel mill last night.

Stan, who made a tour with the Upland Rotarians of the the plant, listened very attentively to the speaker after dinner and then asked, "Are you making any money?"

The Kaiser representative hesitated for a minute and then answered, "Yes, but all of it goes to the RFC."

TURKEYS

The Upland Legion post doesn't intend to go into the poultry business but after their Armistice Day turkey shoot they found that they still had 31 turkeys left. So, the Legionaires are trying to figure out some way to dispose of them and they don't mean for free either.

BACK TO SCHOOL

Anybody going into the Ontario city hall late yesterday afternoon might have thought they were walking into a dragnet of police officers. Just to set some people at ease who might have been greatly concerned it was only Ontario police officers getting out of school. Chief Herb Swinney, you will remember, is conducting classes for his staff these days, bringing them many of the things he learned while at FBI school.

LEAVE SUNDAY

Assemblyman and Mrs. R. Fred Price will leave Upland Sunday for Sacramento where Mr. Price will attend the meeting of the crime commission which has been called by the governor. They will be gone about a week.

Mr. Price had high words of praise for the commission, pointing out that since it will deal with all phases of crime some steps towards a solution should be reached.

"This is one way we can do something tangible about the crime situation in the state," he said.

FIND KEYS

Anyone who went to the turkey shoot in Upland Tuesday and went away without a set of keys (presumably car keys) should get in touch with the I. J. Linkeys at 458 North First avenue, Upland. They found a key ring with three keys on it.

HAPPY DAY

Little Stephen Reed, of Red Hill, really had reason to celebrate his first birthday. In the first place it was Halloween.

And then just before midnight he received his chief birthday present—a brand new baby brother, David Leslie Reed.

The boys' father, Albert S. Reed, doesn't know how he'll be able to restrain them on Halloween six or seven years from now.

WEATHER

Temperatures climbed briefly today when 71 degrees was recorded at 1 p.m. at the Santa Fe station. Reading at midnight last night was 59 degrees, highest yet for the month. Today's forecast was:

Southern California: Clear north and west portion and partly cloudy southeast with few showers extreme southeast portion this afternoon and tonight; Friday partly cloudy and locally windy with scattered showers and cooler north and west portion.

Southern California desert regions: Clear north and partly cloudy south with few showers extreme south portion this afternoon and tonight; Friday partly cloudy with scattered showers north portion; cooler south portion tonight and north portion Friday.

Tidelands Decision Hits State's Rights, Howser Tells Club

Accusing the U.S. supreme court of violating the "state's rights" provision of the constitution in its tidelands ruling, Attorney General Fred Howser today called upon the people of California to carry the matter to the halls of Congress and, if necessary, seek to "define the principles that have existed in the United States for the past 157 years" by constitutional amendment.

Speaking before the Ontario Rotary club at noon today, Howser lashed out at the high court for its decision against California and warned that it would set a precedent which would jeopardize the rights of every other state in the union.

The right of California to all minerals, oil and other valuable materials under the Pacific ocean for three miles seaward along its coast was established back in 1850 when the state entered the union, Howser declared. These rights, which included all harbors and islands along the coast, were written into the state constitution and "accepted by the congress of the United States."

Encroachment

Quoting from the Declaration of Independence, the attorney general compared the present 'encroachment" of the Federal government upon the "states sovereignty" to that of the colonists who accused King George among 23 other abuses of "plunderng our seas and ravaging our coasts."

Taking issue repeatedly with the supreme court which in a recent decision awarded power and rights over "marginal seas" to the Federal government, Howser declared that no evidence of ownershp had been submitted at the trial.

"How a judgment like this can be rendered without evidence of the title being shown is beyond any human comprehension," he declared.

Vital To All

Warning that the question is "vital to every Californian and every true American," Howser said, "We are apt too often to devote much of our thinking on what conditions are in other lands and

(Continued on Page 3)

Local Hospital Nurses Demand 40-Hour Week

Nurses at San Antonio Community hospital today notified the hospital management they will work only a 40-hour week effective Nov. 30.

Representatives of the California state nurses association, organization to which registered nurses at the hospital belong, made the announcement.

The nurses now work a 44-hour week and a request for reduction has been denied, they said. Similar notice has been served today on hospital management in Pomona, San Bernardino, Redlands and Riverside, the association said.

Dr. A. A. Aita, hosptal administrator, was not available for comment this afternoon.

The nurses announced their decision in a letter expressing "deep disappointment at the failure of our hospital to grant the 40 hour week to its staff nurses."

The nurses said that the 40-hour week for nurses is a standard established by the California state nurses' association and that the hospitals in this area which received today's notification are among the few in the state which have not adopted it.

The nurses also said that adoption of the 40 hour week would help relieve the local nurse shortage by checking the drift of nurses to nearby areas where the 40 hour week prevails. They also ponted out it would tend to keep nurses from leaving nursing to enter more attractive fields of employment and also encourage young women to enter schools of nursing.

Name Local Men Directors at Large Of Farm Bureau

Five Chaffey district residents were named as directors at large at a meeting of the San Bernardino county Farm bureau yesterday in San Bernardino. At the meeting, William Eastwood of San Bernardino was installed president.

Named as directors at large were Charles Binnell, Ontario, Willam B. Anderson, Upland, A. R. Brown, Chino, R. N. Coffee Ontario, and George Russell, Ontario.

Nearly 90 Rotarians, Guests Make Tour Of Kaiser Steel Mill

A total of 88 Upland Rotarians and their guests made a tour of the Kaiser steel mill in Fontana last night, following which they had dinner in the Kaiser cafeteria.

The tour included a look into the rolling mill and raw plate mill. Rotarians also watched the pouring of molten iron, the open hearth and blast furnaces. The program was in charge of Leslie Boyd.

Following the dinner a Kaiser representative spoke, following which many questions were asked. Everybody reported having a very enjoyable and educational evening.

PRINCESS, FIANCE RECEIVE GIFT

Princess Elizabeth enjoys a hearty laugh with her fiance, Lt. Philip Mountbatten, after receiving a wedding gift from the people of Clydebank. Their wedding will take place Nov. 20.

SAN ANTONIO HOSPITAL

Rheumatic Heart Disease Clinic To Be Held This Friday Afternoon

First Rheumatic Heart Disease clinic of the school year will be conducted in the solarium of the San Antonio Community hospital on Friday afternoon, Dr. A. A. Aita, hospital administrator, revealed today.

The clinic, which will be held every Friday afternoon until all suspected rheumatic fever cases in the area have been examined, will be conducted by Dr. George C. Griffith, director of the division of graduate medicine at the University of Southern California, with the assistance of the Drs. R. N. Williams and Elmer Carlson of Ontario.

Last year, the first year of the clinic's operation, 56 cases were examined and it is expected that a larger number will be examined this year.

Three examining tables are being set up in the solarium and will be divided by screens, making it possible for three patients to be examined simultaneously. The public health nurses of Ontario and Upland will assist in the clinic.

A total of 14 patients will be examined the first day and, so that the work can be expedited, all preliminary laboratory and electrocardiographic work has been done by the hospital and fluoroscopic examinations of the chest will be made during the clinic, according to Dr. Aita. The hospital will do other examinations on these patients as requested by the examining doctors, he explained.

The clinics will be conducted on Friday afternoons until all of the suspected rheumatic fever cases in the area have been examined, with rechecks on the positive cases scheduled at regular intervals thereafter.

Cases for the clinic must be referred through the attending physician and they are all checked through the public health nurses, Dr. Aita explained. No charges were made by the doctors last year nor will there be any professional fees for clinic cases this year. The Upland Junior Welfare league, will underwrite a portion of the cost of the overhead of the clinic.

Kaiser Breaks Production Mark

Breaking previous records, workers at the Kaiser steel mill set a new record for production during the month of October, according to Francis M. Rich, vice-president in charge of operations.

A new record set in July of this year was set in the blowing mill in the production of 59,740 tons during the month. Previous record was 59,740 tons.

A record set in July was also broken in the plate mill with the production of 20,262 tons of plate. The previous peace-time record was 17,710 tons. Highest production in the plate mill came during the war when 32,503 tons were turned out in one month.

The open hearth record of 64,497 tons was topped by a production of 72,768 tons.

Report Thefts In Ontario

A series of petty thefts, most of them involving the removal of accessories from parked automobiles, were reported to Ontario police today.

E. J. Letkeman, Riverside, told officers he parked for a few moments in the 100 block on West A street yesterday. When he returned to his car, he found that the radiator ornament had been broken off and was missing.

Joe Sanchez, 927 Caldwell avenue, reported that $75 worth of accessories were taken from his car when the machine was parked in front of his shop at 764 East California boulevard.

Taken were the generator, fan belt, manifold and carburetor.

Robert Zimmerman, 315 North Laurel, lost a fender skirt from his automobile when the machine was parked on Euclid avenue at C street.

Mrs. Margaret Murray, 638 East Maitland street, reported a $75 fur coat taken from the clothes line at her home.

Y's Men See Body Building Exhibition

A demonstration of body building as taught at the Y.M.C.A. by Tom Mooney was given at the meeting of the Y's Men's club held last night.

Aiding in the demonstration of lifts and the various types of muscle building were Bob Mosher, Victor Renek, and Jack Kirk. Ethan Louderback, vice president, conducted the meeting, with Ferron Troxel serving as program chairman. Russ Waldo was a guest of the club.

Announcement was made of the club's project to sell Christmas trees to raise money for youth activities, and the coming Invitational Meet of the Valley Model Skyhawks to be held at John Galvin Park on Nov. 30.

'The Vikings', Other Professional Acts To Highlight 'Elks-A-Poppin'

"The Vikings," a harmony group of five men, will headline the second annual minstrel show of the Ontario Elks lodge to be presented Saturday night at the Chaffey Civic auditorium.

Now performing at "The Flamingo" in Las Vegas, the vocal group will make a special trip to Ontario to appear in the benefit show, proceeds of which will be devoted entirely to charity. "The Vikings," prior to their Las Vegas engagement, were part of the Ken Murray's Blackouts for two years.

Harry Savoy, main comic on the Kate Smith show for three years, will appear in the "Elks-A-Poppin" show as master of ceremonies. Now on vacation, Savoy will return to the Kate Smith show this fall.

A member of the original Olsen and Johnson "Hellz-a-Poppin" show, Lionel Kaye, a comedy magician, and his company, will provide highlight's for the show.

Other Talent

Among the other professional talent in the show will be Nancy Lee, violinist with the Woody Frank's orchestra. Vaughan and Wright, performers at Earl Carroll's nightclub, will present musical novelties.

DARLENE HOLDEN
Hawaiian Tap Dancer

A team of eight precision dancers, the Douglas Rankin girls of Metro-Goldwyn - Mayer, will be seen throughout the program in specialty dances and will also augment some of the other acts.

Louise E. Camery and Courtland Elliott will be heard in duet numbers, and Mr. Elliott, interlocutor, from the old L. G. Fields minstrels, will serve as interlocutor for the "black-face" acts with Jesse Knabb, Art Pederson, Bob Snider, Dwight Larick, Ernie Wharton and Dan Alter as end men.

Chaffey Orchestra

Music throughout the performance will be provided by an orchestra directed by Shirley Snider, head of the instrumental music department at Chaffey college. A special chorus formed by the wives of Elks club members will be seen in a specialty act.

Among the local acts to be featured are the General Electric quartet and Reginald Taylor, vocalist. Jeannette Daubernnier, San Bernardino, will be seen in a comedy act. Betty Henderson, contortionist, will also appear.

Concealment of Stock Holdings Charged Against Gen. Meyers

Britain Rejects Holy Land Partition Plan

LONDON (AP)—Britain has decided against accepting, or substantially sharing in, the Soviet-American plan for partitioning Palestine, high Whitehall sources said today.

Under the Soviet-American plan Eritain would be asked by the United Nations assembly to continue to be responsible for law and order in Palestine until May 1, 1948.

Disclosure of the British decsion came a few hours after the British cabinet's regular weekly meeting.

The informants said this country's delegation at Lake Success has been instructed to inform the United Nations:

1. Britain will not be a party to the use of force in the implementation of any solution in the Holy Land.

2. Britain will not be prepared to make any substantial contribution towards implementation of a settlement not acceptable to both Arabs and Jews.

3. Britain will not singlehanded carry out the Soviet-American partition plan which would require this country to remain as mandatory until next May, when the prosess of transferring power to the Arab and Jewish states should begin.

City Basketball League Forming

Sponsorship of the Chaffey district winter basketball league has been undertaken by the Ontario recreation commission, with Chas. Walker as chairman of the committee.

Announcement of his appointment was made today by Calvin Shores, commission president. Action in the matter was taken yesterday at the noon luncheon meeting of the group held at the Vina Danks Junior high school cafeteria.

Named to assist Mr. Walker on the committee are Bob Hongola and C. M. Jaggard, commission members. In actual charge of the league will be Paul Halvorsen, American Legion representative and Truck Lindsey and Harvey Shirk, Chaffey coaches.

Halvorsen stated today that any adult team in the Chaffey district is eligible to enter. All applicatons must be submitted in writing to Halvorsen by next Wednesday at the Ontario American Legion clubhouse.

So far nine teams have joined the league and several others are expected to sign up in the near future.

The first league meeting will be held Nov. 26 at which time rules and winter schedules will be distributed to participating teams.

In other actions, a committee was appointed to inquire into the feasibility of permitting concessionaires to operate hot dog, ice cream and soft drink stands at various city parks during athletic events.

The sale of fees to be charged the concession operators is the principal matter under discussion.

Eagles Lodge Plans Dance

A special dance for members of the Eagles lodge and their friends will be held Thanksgiving night at the lodge hall.

Announcement of the forthcoming event was made at last night's meeting. Music will be furnished by Jimmy White and his Vagabonds, well known dance band.

Two new members were initiated into the lodge last night. The new Eagles are Burl Eugene Timpy and Roland L. Benson.

NEWARK READY TO REPULSE THE 'NEW MEXICO'

NEWARK, N. J., AP—The decommissioned battleship New Mexico, en route under tow to her last "battle," was lost at sea and found again today 40 miles outside of New York harbor.

Two tugs which cut the 30,000-ton dreadnaught loose in heavy seas late yesterday en route from Boston rushed to take her in tow once more after a coast guard plane located the New Mexico wallowing in the rough Atlantic.

At the entrance to port of Newark channel inside New York harbor, two Newark fireboats meantime maintained a vigil to keep the former battleship out of Newark. City officials have ordered that no more ships be scrapped on the city's waterfront—and sent out the fireboats armed with chemical sprays and water hoses to show they mean business.

Parkside Couple Injured in Foothill Crash

Kenneth Harless, 431 Parkside, Upland, and his wife Mildred, were reported in "good" condition this mornng at San Antonio Community hospital where they were being treated for injuries suffered last night when they were struck by a car while crossing Foothill boulevard at Campus avenue.

The car's driver, Ernest Evans, 4425 Eleventh street, Riverside, told Upland police he was driving east on Foothill when he saw two dark objects in the roadway and applied his brakes. However he was unable to stop before hitting Mr. and Mrs. Harless.

At the time it was thought Mrs. Harless was critically injured as she was knocked under the car and it was necessary to shove the automobile several feet before she could be extricated.

However, at the hospital she was found to be suffering from a slight concussion and bruises. Her husband received a cut on his head and several bruises.

The couple told investigators at the hospital that they were crossing Foothill in the crosswalk and did not see the car until they were hit.

Chaffey Plans 'Homecoming'

There will be a high time at Graber field Thanksgiving afternoon when the football teams of Chaffey and Mt. San Antonio junior colleges meet at 2 o'clock.

Chaffey students will combine an alumni Homecoming celebration with game festivities and are hard at work on plans for an elaborate half-time program and post-game celebration.

Officials of both colleges decided to hold the gome in the afternoon after lengthy consideration, Harvey Shirk, Chaffey college director of othletics, announced today.

Although much thought was given to scheduling the game for the morning to prvent interference with Thanksgiving Day dinners and family reunions the officials discarded the suggestion for two reasons, Shirk said.

First objection to the morning game was the lack of active supporters of the idea.

Then it was learned that Pomona ministers have scheduled religious services for the morning and the colleges were unwilling to interfere with Pomona worship programs.

With feeling running high among supporters of both teams an all-time capacity crowd is expected and arrangements to handle it are already being made.

Held $35,000 In Aviation Stocks, Says Investigator

WASHINGTON, (AP)—The army air forces, it was disclosed today received in 1945 but never investigated an anonymous letter saying Maj. Gen. Bennett E. Meyers had gained "immense profits" from buying stock in companies he knew would get air force contracts.

WASHINGTON, AP—Senate investigators developed testimony today that Maj. Gen. Bennett E. Meyers owned 2,700 shares of oviation stock valued at about $35,000 on Feb. 5, 1943, but reported to the Air corps that he held none.

The testimony came at Senate war investigating committee hearings which Chairman Ferguson (R-Mich) said were intended to disclose what the Air Force had done to guard against "fraud" or "improper actions" by high officers.

Carmine S. Bellino, an investigator for the committee, testified as to the general's stock holdings. He said they were in an account with the firm of Green and Brock, of Dayton, Ohio, which he had analyzed.

Bellino said that Meyers transferred stocks from his own account in May, 1943, to an account of his wife, Ila Rae Curnett, but added the general did not transfer all of his holdings.

Before Bellino was put on the stand, it was brought out that Meyers had acknowledged dealing heavily in aviation stocks just prior to and in the early years of the war.

Papers produced by the Senate war investigating committee from war department files showed:

Meyers, then chief of staff of the materiel command, told his superiors on Feb. 5, 1943, that he had held stock of more than a dozen aviation companies but sold out shortly before he became a procurement (purchasing) officer.

BULLETINS

WASHINGTON, (AP) — A flat assertion that the proposed long-range European recovery program should be financed out of taxes was made by President Truman today.

LONDON, (AP) — Chancellor of the Exchequer Hugh Dalton resigned from the government tonight in a sensational shakeup after he admitted disclosing tax secrets to a newspaper in advance of his budget message to parliament yesterday.

High Cost of Egging Saves Their Faces

SAN JOSE, Calif. (AP)—Judges at the Santa Clara County Horsemen's Association horse show provided spectators with tomatoes and eggs—good ones—to throw if they didn't like the decisions. But practically nobody, naturally, would throw any away.

MISS SCHMIDT ADDRESSES UPLAND ELEMENTARY P-TA AT AFTERNOON GATHERING

Experiences in a European children's home were vividly explained yesterday afternoon when Miss Ella Schmidt, Upland kindergarten teacher, spoke to members of the Upland elementary school Parent-Teachers association.

The speaker told of her experiences while serving for two years in a children's home sponsored by the Mennonite church in Alsace Lorraine. She showed a group of pictures of different children's homes in Europe and brought out in her talk the Thanksgiving thought stressing the need for a real Thanksgiving this year.

Following the talk Miss Gladys Glaypool's first grade pupils offered a number of French folk songs.

Mrs. B. M. Pace, president, conducted the business portion of the afternoon and the need for more den mothers for Boy Scout troops was stressed.

Following the program tea was served in the school cafeteria. The table was decorated with bronze chrysanthemums and marigolds and orange candles. Mrs. Earl Wenger and Mrs. James Martinez poured.

The tea table and cafeteria were decorated by Mrs. Jeanne Cherbak, Mrs. Anna Case and John Strom, fifth grade teachers.

The tea committee was composed of fifth grade mothers who included the Mesdames N. C. McNeil, chairman, and Alton Bantz, Daniel Jeran, Arthur Edelman and Robert Asper.

Fish is one of the most perishable of foods.

Ontario Women Hostesses At Claremont Meeting

Four Ontario women will be hostesses on November 18 when members of the Fine Arts Foundation of Scripps College meet at 2 o'clock.

Speaker of the afternoon will be Dr. Alois Schardt, art director of the Olive Hill Foundation and former director of the National Museum of Art in Berlin, Germany.

Dr. Schardt will talk on Frau Kaethe Kollwitz, whose works are currently being exhibited in the Florence Rand Lang are gallery on the Scripps campus. The artist is one of Germany's great women artists of the twentieth century.

Hostesses for the November meeting will include the Mesdames Herbert Bailey, Willard Baier, Robert Graber and Frank Palmer, all of Ontario, and Clifford Barrett and Kenneth Forbes of Claremont and Kenneth Graham and L. A. Turner of Pomona.

PATIENTS

At San Antonio Community hospital:

Marilyn Branaman, 13, daughter of Mrs. Hester Branaman, 293 First avenue, Upland, has been released following major surgery.

Mrs. William Mooren, 2440½ South Euclid avenue, Ontario, has returned home following medical care.

Mrs. Amanda Anderson, 620 East Arrow highway, Upland, has been released following minor surgery.

Mrs. Boise Mateer, 208 East C street, Ontario, has been released following medical care.

Mrs. Leonard Porter, 212½ West Park street, Ontario, entered for medical care.

Mrs. Don Hewitt, 523 East I street, Ontario, entered for major surgery.

Andrew Lindquist, West Eighth street, Upland, entered for minor surgery.

Early Holiday Dinner Held By Habeggers

Mr. and Mrs. I. G. Habegger, North Hellman avenue, Alta Loma, held an early Thanksgiving dinner at their home Sunday with 27 guests present.

Among the guests present were Mr. and Mrs. Olive Habegger, and sons Dinnis and Phil of North Hollywood, Mr. and Mrs. Robert Harvey and children Marsha and Gordon, of Corona; Mr. and Mrs. J. E. Cline and children Donald and Gwen, of Upland; Mr. and Mrs. Olin Habegger and children Vera, Dick and Nancy, of Alta Loma; Mr. and Mrs. Albert Schmultz, of Alta Loma; Mr. and Mrs. Dan Dettweiler and daughter Evelyn, of Alta Loma and Mr. and Mrs. John Baumgartner, of Upland.

Cucamonga, Alta Loma PERSONAL ITEMS

Mrs. Asger Rayn, West Arrow highway, Cucamonga, flew to Camarillo Friday to attend the funeral of William Sanders, who was killed in an automobile accident. Mrs. William Sanders, the deceased man's widow, is a former resident of Ontario.

Mr. and Mrs. Frank Vecchio, of Cucamonga celebrated their wedding anniversary with a dinner party at the Haldeman House Sunday evening. Eight guests were present.

Mrs. George S. B. Ferguson, North Hellman avenue, Alta Loma, was a visitor in Fontana yesterday.

Edward Maust, of Bay Port, Michigan, and Emma Maust of Pigeon, Mich., are spending the winter as the guests of Mr. and Mrs. Sherman Maust, 504 West San Bernardino avenue, Cucamonga.

Additional Society on Page 6

Lodge Heads Slate Coming Dinner-Party

E. Tweed Stone, worthy patron of the Upand Masonic lodge, and Mrs. Maude Grahame, worthy matron of the Eastern Star, will be host and hostess this Friday evening at a dinner honoring their officers.

The dinner party is scheduled to begin at 7 o'clock at Haldeman House in Alta Loma and following dinner cards will me played.

Births

At San Antonio Comunity hospital:

RODRIGUEZ—A girl to Mr. and Margarito Rodriguez, Chino, 2:16 p. m. Nov. 12.

ROMANO—A boy to Mr. and Mrs. Mario Romano, Claremont, 6:34 p. m., Nov. 12.

CUNNINGHAM—A boy to Mr. and Mrs. Hugh Cunningham, Bloomington, 6:53 a. m., Nov. 13.

About People

IN UPLAND

Harold P. Baird, 157 South Palm avenue, is a patient at the Norco naval hospital at Corona. Mr. Baird was injured while working at the Kaiser Steel mill over a week ago and is suffering from blood poisoning.

Mr. and Mrs. Simington and daughter of Wilmington visited with her parents, Mr. and Mrs. H. W. Thomas, last Sunday.

Mr. and Mrs. LeRoy Thomas, of Tommies Donut and Malt Shop, spent the week-end visiting with her brotner, C. H. Mathwin, who is a patient at the Foster hospital in Ventura.

Mrs. Ted C. Abelshouzen, 263 Sixth avenue, has been called to Portland, Ore., by the illness of her mother.

Mr. and Mrs. Harold P. Baird who have been living in Fontana for the past two years, have moved back into their home at 157 South Palm avenue.

Guests Sunday at the home of Mrs. Annie Youngstrom, 254 North Laurel avenue, were her son and daughter-in-law, Mr. and Mrs. C. H. Youngstrom, of Brawley. They came to help celebrate the elder Mrs. Youngstrom's birthday.

Announcement was recently made of the engagement of Miss Delores Heaney, daughter of Mr. and Mrs. Leland Bickman, of Pomona, to Calvin Dick, son of Mr. and Mrs. Everett Dick of Upland. November 15 has been set as the wedding date.

Mr. and Mrs. Leigh Thompson, 1447 North Euclid avenue, are back home following six weeks spent vacationing. They traveled over 5,000 miles and took their house trailer right along with them. In Amarillo, Tex., they were guests of his sister, Mrs. Frank Wolflin and in Fort Worth, they visited with his niece, Mrs. Willis Thompson. Other points of interest included Santa Fe, New Mexico, Imperial Valley and the Carlsbad Caverns. Mr. Thompson reports good hunting in the Imperial and in South Dakota, they enjoyed pheasant hunting.

Mr and Mrs. Isiah Palmer, 732 North First avenue, have been enjoying as their guests for the past month, her oldest brother, Thomas Anson, and her youngest sister, Mrs. Elmer Henry, both of Cleveland, Ohio. Today is Mr. Anson's 80th brithday and Mrs. Palmer is entertaining with a turkey dinner and party. Mrs. Palmer's other sister, Miss Frances Caldwell, of Upland, was also present today for the celebration. The Cleveland visitors plan to leave Upland about the 21st for their home.

IN ONTARIO

Mrs. M. A. Arcock, 301 East B street, plans to leave soon to make her home with her daughter, Mrs. Francis J. Heusel, of Long Beach. Mrs. Allcock recently sold her home to the T. G. Morketters of 1135 West California boulevard. Mrs. Allcock has resided in Ontario for the past 38 years.

Mr. and Mrs. Charles Gros, 221 North Fern avenue, spent Tuesday at Laguna Beach.

Mr. and Mrs. E. J. Duffy, 1243 College way, gave a going away dinner party on Saturday evening for his aunt, Mrs. Margaret Miner, who has been visiting at the home of Misses Margaret and Irene Duffy, 354 Euclid avenue. Mrs. Miner also spent sometime visiting in Los Angeles, Fontana, Palm Springs and Tiajuana. She departed for her home in Newark, N. J., Sunday.

Mr. and Mrs. Sanford Ballou, 1208 North Euclid avenue, spent last week in San Francisco. The Ballous went north on business.

eds Call Strike Marseille; ot in Italy

MARSELLE, Æ—Troops and bile guards were called out to ol the streets of Marseille to- as Communist labor leaders ed a general strike call fol- ing a day of rioting in which person was fatally wounded six others hurt.

While the Communists claimed ir strike call had met a wide ponse among factory hands, in- ations as the day advanced were workers were sticking to their s except in trades in which their ons previously had ordered kes.

ffected were all seamen, lang- emen and members of the al, building and chemical kers unions. Some food packers were reported out.

ll shipping in the port was tied , the strike, which began as prote against an increase in est cil fares and assumed ader pa rtions following the est of fo union demonstrators day.

NAPLES, Æ—Police fired on mmunist demonstrators here to- y as Italy's wave of political rmoil spread southward. Several unded were hospitalized.

Industrial northern Italy, promi- ntly leftist, was quiet but tense er a week of violence and blood- d in the burgeoning assault m the lefa against Premier Al- e De Gasperi's Christian demo- tic government.

Naples police, in light armored rs, moved in on the via Roma and io Medina in the heart of the y where a demonstration was d to protest against what so- lists and Communists called eo-Fascist" provocations in Mi- and elsewhere in the north.

Some demonstrators used tear bombs against the police and reported to have fired shots the air.

The demonstrators assembled in ples' municipio square and rched through the main streets, cking newspaper stands on the y and ripping and burning htist newpapers.

COST OF LIVING IN US. TOO MUCH FOR THEM

LOS ANGELES, Æ—A 74-foot tug chugged through Pacific waters today bearing 17 agricultural adventurers to a new life on a jungle island where there is no housing shortage, or high prices.

The vessel named the Aster is a sturdy, diesel-engined formed coast guard buoy tender owned by Harper Henry of Los Angeles, who also owns the island of Chirote, off the province of Chiriqui, Panama, which the expidition expects to reach in about three weeks.

Henry didn't give newsmen a roster of the dozen farmers and wives of five of them but said they were friends of his from various parts of the nation who were "thoroughly discouraged trying to live here in the face of high prices and the housing shortage."

The Aster flew the Panamanian flag as it cast off yesterday.

Aboard were household goods, beehives, equipment for making brooms from tropical grass and a piano. The colonists expect to live a rugged life, clearing land, planting crops, cutting timber to get lumber for dwellings. They expect to be able to sell brooms readily. Henry is familiar with the island through previous investigation of hardwood re sources in the area.

The colonists expect to stay on the island but, if dissatisfied, can return after three months, Henry said, under the bargain they made.

MARKETS

NEW YORK, Æ—Stocks—lower; light selling depresses leaders. Bonds—lower; rails in supply. Cotton—easier; profit taking and liquidation.

Poultry

Poultry unchanged except for young Tom turkeys 30-31.

Butter unchanged.

Fred Howser Noon Speaker At Ontario Rotary

(Continued from Page 1)

not pay sufficient attention to things that are vital to us as American citizens."

The danger exists that if this ruling is sustained, it will set a precedent for infringing upon the rights of other states in direct violation of the "state's sovereinty" provision of the constitution, Howser emphasized several times.

"I hope that the people of this state can be sufficiently informed so that they can tell Congress which way to go and so there won't be a tombstone in future reading 'States Rights, Born 1789, died, 1947,' he concluded.

Praises Howser

Assemblyman R. Fred Price, who introduced the speaker, had high words of praise for Howser, declaring that this is the first time that a constitutional officer has spoken to the Rotary club of Ontario." He traced Howser's career from the time of his appointment as district attorney of Los Angeles and to his elevation at the last election to the office of attorney general in the state.

"He has done a splendid job again in a very difficult spot," Price said.

Pomona Woman Files Suit Attacking Federal Rent Law

LOS ANGELES, Æ—Two suits, attacking the Federal rent control law as unconstitutional, were filed in U. S. District court today by apartment house operators.

The plaintiffs, Mrs. Dellye Hudson, 536 West 3rd street, Pomona, and Joseph R. Bennett, Los Angeles, are members of the Apartment, Hotel and Motel Association of California.

Mrs. Hudson's complaint alleges the rent control law discriminates against apartment house owners in favor of hotels, motor courts, tourist homes and the like. She charged the act confers an irregular use of administrative power and deprives her of her property rights by not permitting her to obtain a fair return on her investment.

Marshall Plan Won't Aid Russ Sattelites--Harriman

DALLAS JAIL EXPENSIVE HOSTELRY

DALLAS, Tex. (Æ)—Two transients asked Police Desk Sgt. L. O. Jones for lodging in the Dallas jail.

"Costs money to run this jail," Jones said discouragingly. "I'll have to charge you."

"How much?" one of the men asked.

"Ten dollars."

"How long do we get to stay?"

"Three days."

"We'll take it," said the weary wanderer and handed the sergeant ten dollars.

'Vikings' To Be Highlight

(Continued from Page One)

A performer in last year's 'Elks-a-poppin" show, Barbara Blunt, will appear in several tap-dance numbers by special request. Darlene Holden, San Bernardino, will be seen in a Hawaiian dance.

Doors of the Chaffey Civic auditorium are to open at 8 o'clock, according to Dan Alter, who is directing the show. The performance will start at 8:30.

All For Charity

All proceeds will be given for charity purposes, including cancer research and the Casa Colina home for Crippled Children. A portion of the funds recieved will remain in the Elks organization to finance Christmas parties and other project undertaken for the under privileged children of the Chaffey area.

In addition to Mr. Alter, others directing arrangements for the show are Glenn Dorning, who is in charge of ticket sales, Bob Snider, in charge of the program and Jim Hessler, director of the publicity. Oris Heinauer is exalted ruler of the lodge and in charge of all committees for the show.

Chamber To Consider Christmas Lighting

Christmas lighting for the Upland district will be discussed by the Upland chamber of commerce board of directors at a meeting Friday morning.

The group will meet at 7:30 a. m. at the Sugar Bowl with President I. T. McFadden conducting the meeting.

WHY EAT

Says Hungary, Poland Eager To Join West

WASHINGTON, Æ — Secretary of Commerce Harriman testified today he would favor stopping at once any American aid to a nation which might in the future come under the influence of Russia.

Harriman was asked about his attitude in such a case while he was testifying to the House foreign affairs committee in behalf of the administration's proposed $597,000,000 emergency assistance for France, Italy and Austria.

"I would then lose interest in it, in that particular country," Harriman said.

But, in contrast, he said he believes America should hold itself ready to extend help to nations of Eastern Europe if they should free themselves of Russian domination.

Certain of these nations, the Secretary said, would have "liked to come in and work with us," but were prevented from doing so by Russia.

"Poland, Hungary and Romania are very friendly to us and have been forced into the iron vise against their will," Harriman said.

His views were brought up under questioning by Rep. Jackson (R.—Calif). Jackson also wanted a list of commodities which this country now exports to Russia. Harriman promised to furnish it.

Chairman Vandenberg (R-Mich) of the Senate foreign relations committee made clear that the United States has a vital interest in the world's uranium resources.

He told a state department representative, appearing before the committee which also is hearing testimony on the administration's emergency foreign aid program.

At Elks Lodge

Tony Cabootch, described as a "comedian with a patter", will be the reatured entertainer at the "Upland Night" meeting of the Ontario Elks lodge to be held tonight.

Uplanders, under the direction of Glenn Atwood, will be in charge.

WHEN IS THE HONEYMOON OVER

DUBLIN, Eire (Æ)—When, Irish legislators would like to know, is the honeymoon over?

It's an official question because they are deliberating a bill for state construction of dream houses for Irish honeymooners and one provision says the honeymooners would have to vacate "after a certain period." The legislators interpret that to mean "when the honeymoon is over" and would like to know when that is.

Ontario Profits Under Tax Law

Ontario will profit to the extent of an additional $14,721 under the new state gas tax law, providing funds for improvement of major streets, City Manager Harold Martin announced today.

A notice received today from the state division of highways indicates the city will receive $24,260 for the first six months of 1948, Mr. Martin said.

In the preceding six months period, he said, city revenues from that source were $9,540.

Funds derived from the state gasoline tax are divided on a 60-40 basis between streets of major importance and local streets, he explained.

Ontario Toastmasters Hold Regular Session

Ontario Toastmasters heard four speakers last night—William Gilland, Ernest Camfield, Howard Kilmurray and Don Jay—at their meeting in Hotel Casa Blanca. Kelley Wilson was the critic and Horton Swisher served as toastmaster. Andrew Singleton presented the feature and David Weil presented the table topic.

President Bruce Claflin presided. Guests included William Green and John Klusman.

While the club was in session, wives of the members convened at the Bruce Claflin home in San Antonio Heights for an informal social session.

WILSON DECLARES

Production at All-Time High but Profits Half of Pre-War Years

Although American industrial production stands today at an all-time high, the margin of profit accuring to the average corporation is less than half what it was in pre-war years.

So said Charles E. Wilson, president of General Electric, last night in an address delivered before the Sales Executives club of Southern California in Pasadena:

Wilson, who visited the Ontario GE plant Monday, is in California on a brief tour of inspection of the company's west coast facilities.

"Today's supposed high industrial profits are in fact largely paper profits," Wilson asserted. In part because industry's are rapidly returning surpluses to industrial and plant expansion and modernization neglected during the war, he explained.

European aid, as proposed under the Marshall plan, seems essential to, "insure a stable and productive peace," the GE executive said.

"We are told that the outlook for our business is dependent to a marked degree on the extent to which the future exports of American-made goods can be financed.

Physician's Death Found Suicide

The death of Dr. William E. Keating, young Los Angeles physician whose body was found Tuesday on Strawberry peak by five Ontario teen-age girls, was written off as a suicide yesterday by R. E. Williams, San Bernardino county coroner.

The verdict was rendered after an autopsy revealed Dr. Keating died of "heavy varbiturate poisoning."

Dr. Keating disappeared Oct. 21 from a cabin at Alpine where he was resting from the effects of overwork and was the object of a state-wide three-week search which ended with the discovery of his body.

DONATIONS MADE

ppointments of Committees Given y Ontario Red Cross Directors

Numerous appointments and hairmanships were announced at reorganization meeting of the rd of directors, Ontario chap- , American Red Cross, held at home of Mr. and Mrs. Bruce ller, 123 Caroline court.

During the session, the following ointments to committees were med: H. C. Naylor, disaster re- , and preparedness committee; s. S. A. Craig, home service; lliam O. Totman, first aid and cident prevention; Fred Clapp, ter safety; Miss Laura Stroud, nior Red Cross; Miss Alberta haefer, public information; Mrs. nford Thomas, volunteer serv- and A. A. Smith, finance.

New committee formed was one fund campaign planning which have Charles Hansen as chair- n and Cliff Flower, Russell Eck J. M. McCrae as committee mbers.

Mrs. Thomas, as chairman of the lunteeer services, announced the lowing voluteer services chair- ; Mrs. C. W. Wilson, arts and lls services; Mrs. S. E. Coyle, ay Ladies services; Mrs. A. M. Gerard, canteen services; Mrs. arles Hansen, welfare aide; Mrs. yden Casteel, motor services; s. J. C. Smith, staff aide services. Mrs. Carl Hindeliter, production and supply services, with Mrs. Oregon Smith as vice chairman and chairman of supplies; Mrs. H. J. Beckman, survey; Mrs. R. D. Newton, recruitment; Mr. Totman, training; Mrs. F. L. Allen, recognition; Mrs. Frank Phillips, entertainment and instruction services; and Mrs. H. J. Beckman, vice chairman of volunteer services.

Appointed on the boundary committee were Mrs. S. A. Craig and H. C. Naylor.

Mrs. F. L. Allen, Mrs. S. A. Craig and A. A. Smith, members of the executive board, will form the executive committee with the chapter officers, Albert F. Holmer, chairman; Mr. Naylor, vice chairman; Mr. Hansen, treasurer, and Miss Alberta Schaefer, secretary.

Among the donations given by service groups and distributed by the chapter were two cameras by the Ontario Woman's club for use in developing hobbies for hospitalized patients at the U. S. Naval hospital at Corona.

The Ontario American Legion auxiliary is contributing 10 records per month for one year for patients at Corona and March Field, and the chapter itself authorized the purchase of three volumes of Christmas music at Corona and March Field.

Congressional Session Monday Will See Clash of Philosophies

The special session of Congress which convenes next Monday will focus the spotlight on two diametrically opposed philosophies of government and economics—the doctrine of abundant production versus the doctrine of controlled consumption in the fight against inflation and run-away prices.

The new showdown on this issue at the special session of Congress stems from two factors:

1.—Estimates that the world shortage of basic foods (particularly grain) will continue for at least another 18 months with heavy demand on the United States to feed Europe during that period.

2. Failure of the current meatless Tuesdays and poultryless Thursdays to achieve their purpose.

President Truman's council of economic advisers has reported that "the American economy can sustain the impact of a new foreign aid program" but to make further assistance possible has recommended a far-reaching program of controls, including:

Allocation for domestic use of certain commodities such as wheat, steel, certain types of machinery, coal and fertilizer; continued export controls; "penalties or premiums" to discourage excessive use of transportation facilities and "enlargement and aggressive use" of credit controls.

Congress will hesitate a long while before it adopts that drastic program—and may, in fact, flatly refuse—Clem Whitaker.

The following programs are compiled from reports provided by the broadcasters. We assume no responsibility for last minute changes on their part.

You Have To Get By Red-Haired Guard To See Thomas E. Dewey

BY HAL BOYLE

ALBANY, N. Y. (AP)—To get in to see Thomas E. Dewey you must first pass the critical muster of a big, red-haired, well-armed state policeman, who then unlocks the door leading to the governor's office suite.

This American political oddity—that even in a democracy the major public servants have to be protected from the people they serve—has always interested me. I asked about the locked door.

"It wasn't Dewey's idea," an Albany newsman said. "It's been the custom here for some time. You know in a state as big and complex as New York there are a lot of screwballs, and. . . ."

And that explains the police guard and locked door.

Going through the outer office you pass a shelf parade of 150 miniature souvenir elephants collected by executive secretary Paul Lockwood. The collection contains one small donkey chained to an elephant.

The day I called Dewey was dressed in a brown suit and tie, guiltless of wrinkle. About both his person and his office there was an air of careful neatness and precision.

The reporter accompanying me remarked jokingly that I had come to get the governor's announcement he would seek the Republican presidential nomination. Dewey gave me a precise smile.

"That makes you a member of a very large club," he laughed.

At 45 Dewey looks no older than the days when he first won national attention as the rackets-fighting Manhattan district attorney. He is less reserved in manner now, however, and for half an hour chatted pleasantly—off the record—on political figures. He impressed me as a man of quick keen wit rather than broad humor.

Keys to any man's intellectual life are the books he reads and the men he admires. Dewey said the book he remembered as influencing him most in his formative years was "The Autobiography of Lincoln Steffins" which pictured the decay of city government under boss rule. He still prefers biography to other types of reading.

He said the political leaders of the past who had most guided his thinking were Washington, Jefferson, Hamilton and Lincoln.

Long Beach Man Heads State Amvets

LONG BEACH, Sept. 8, (AP)—Prentice G. Smith of Long Beach, a Marine Corps veteran of both World Wars, is the new California department commander of the American Veterans of World War II.

He was chosen unanimously by California Amvets at the concluding session of their annual convention. Santa Cruz was selected for next year's meeting.

Mackenzie's Column

By DeWitt Mackenzie

General Charles De Gaulle's call to his native France to take the lead in making alliances with America, Britain and other countries "who feel themselves similarly menaced" by Communism, is likely to be received with mixed emotions among the western democracies.

"One would expect the first reaction to be one of gratification that this powerful personality should be throwing his re-born political leadership into the battle to help stem the Red tide's rise against western Europe. The other democracies certainly need the all-out support of France, and General De Gaulle won a smashing victory in the recent elections with his new party—the "Rally of the French People" (RPF)—although he has no position in the government.

However, this first reaction most certainly is bound to be followed in many circles by anxious questions. For one thing, some of General De Gaulle's opponents in France charge that he has dictatorial ambitions, and there has been some uneasiness over this in the chancelleries of allied capitals.

But there is another consideration which is of more immediate concern. De Gaulle's proposal comes almost on the eve of the Big Four foreign ministers' conference in London to try to draw up a German peace treaty. Hopes of reconciling the differences between Russia on the one hand and the American-British-French trio on the other are slim as it is, and where De Gaulle's proposal for alliances against communism accepted forthwith, it would preclude all hope of an agreement in the London conference. Then the fat would be in the fire.

So I believe the democracies will regard the general's idea as premature, to say the least. And one would expect them to continue so to regard it so long as there remains any hope for agreement with Russia over Germany. The consequences of a complete break between the Soviet Union and the democracies would be grave in the extreme.

Fruit that is fully ripe and too soft for canning or freezing whole may be made into a fruit puree and frozen for future use.

SCHOOL FINANCED BABY SITTING AT OKLAHOMA THING OF THE PAST NOW

NORMAN, Okla. (AP) — The University of Oklahoma's contribution to a brave new world—college-financed mass baby sitting for football-loving student parents — has been withdrawn.

The retreat was announced yesterday by Paul McMinn, director of university student affairs. He said the difficulty was getting close medical supervision for the project, plus the danger of spreading communicable diseases among the infants and children.

A score of other colleges had written for information on the scheme, which was started when a student senator, Ferrill Rogers, suggested the school pay for baby sitters to let students who were also parents attend home football games. As many as 150 children at a time were cared for on several Saturday afternoons.

It is now unlawful for any person to stand in the roadway to solicit a ride from the driver of a vehicle. This however, does not prohibit hitchhikers from standing on the road shoulder or the curbing.

Sport -O- Graphs

By DON BENSON

The way the L. A. sport pages are building up Compton and L. A. C. C. in the big game of Nov. 28, at Gilmore Stadium, it looks like Chaffey J. C. would have to beat Notre Dame the first half and Michigan the second half, before they would receive recognition from the L. A. scribes.

The L. A. Times states the Compton-L. A. C. C. game will "perhaps" decide the national J. C. championship.

And another thing:—Both Compton and L. A. C. C. bolted from the eastern or Metropolitan conference for the brand new Western States conference, both being tied for leadership at present. We don't know for sure but didn't the Pasadena Jr. chamber of commerce once say the western representative be from the Orange Belt or Metropolitan conference?, and that the Western conference was considered (at the time, at least) an "out-law" circuit?

If nothing else will do the trick, how about the winner of the wnner of the Orange Empire or Eastern conference winner meeting the winner of the Compton—L. A. C. C. brawl? The Metropolitan league doesn't have a chance this year, what with Santa Monica, East L. A. J. C., etc.

All of us are naturally pulling for our Panthers to be picked—(If they win over Riverside, Fullerton and Mt. San Antonio—) but let's not under-estimate Compton or L. A. C. C. Compton is touted as being better than last year, having colored John Finney, a terrific 185 full-back who has scored 61 points to date.

L. A. C. C. boasts of their left outback Woodley Lewis. Until either of these teams beat Chaffey, we'll take Chaffey, cause the Panthers have some pretty fair players themselves, plus a wonderful team spirit that is tops.

Instead of worrying about the L. A. papers and the Compton and L. A. C. C. fracas, guess we'd better concentrate on the Riverside game this Friday nite at Graber Field.

After watching the Mt. "Sac" boys beat Riverside in the last few minutes, we observed that Riverside was banking heavily on Jim Jordan's fast feet, Leon Parma's passes, and the line smashes of Leland and Orville Smith.

Parma's passes into the flat is an open invitation for Joe Papac to intercept for a T. D. (Hope he does!) Parma's flat passes are usually to the Smiths.

Once again we'd like to quote Dick Hyland of the Times. Dick warns against going over-board for U. S. C. in their Dec. 6th battle against the Fighting Irish of Notre Dame, and states the Trojans will be in for an awful busy afternoon and you'd better have plenty of points if you like S. C.

Sticking our neck out—again—it seems to us that U.S.C. will have an easier time if they reach the Rose Bowl and Michigan. For some reason, we have faith in So. Cal. when it comes to Rose Bowl games. They have up-held the West's hopes sucessfully many more times than any other school, losing only to Alabama in 9 trips to the Bowl, for an out-standing record. We'll have to see it done before we think Michigan can do it. (Never mind last year—That was U. C. L. A. not U. S. C.!)

Being down with the present crop of "cold-wave" that seems to have hit plenty of folks, we missed the Chaffey-Pomona Hi game, although we heard it over the swell Pomona station, K.M.P.O., and it sounded even worse than it was, due to the fact, no doubt, that Bruce Twirrel, the "Puddingstone Dam Kid" and former Pomona center announced the game. One thing was apparent from the broadcast tho, was that Barney Hoyos played a whale of a game for Chaffey. This boy will be heard from in future years. Another Chaffey boy, Leon Sellers, a sophomore, played top-grade ball. Lowell Havener, the guy who has been hopped upon because of dropping passes, never tried harder or wanted to catch 'em more than against Pomona. Perhaps it was tension and over-eagerness, who knows? So why second guess? Anyway his record will still read "O.K." if his past performances are checked. The boy has played some great football for Chaffey.

When Michigan meets the surprisingly strong Wisconsin team this Saturday, our learned friend, Steve Kalagian, will be pulling and hoping for an upset for his Alma Mater, Wisconsin. Frankly, we'd like to see Wisconsin knock-off Michigan, but we're skeptical although hopeful.

BABY COACH

AUSTIN, Tex. (AP)—Charley Jungmichel, a guard of the 1947 Texas football squad, is the older brother of one of his own coaches. Brother Buddy Jungmichel, a star guard on the 1941 Longhorn eleven, is a new addition to the Texas coaching staff.

SEATS RESERVED AT LAST GAME

The gates at Graber field will open for the general public at 1:45 p.m. tomorrow for the Chaffey high school football game with Colton.

The east half of the south bleachers are reserved for Chaffey adult rooters. Seats in the north bleachers will be reserved until kickoff time for the Chaffey high school rooting section.

The kickoff will be at 2:30 p.m.

A capacity crowd is anticipated for the Tigers' final game of the 1947 season.

Release Tentative Cage Schedule

A tentative schedule for the Chaffey Panthers 1947-48 basketball team was released today by Harvey Shirk, college director of athletics and Panther basketball coach.

Practice games for Panther cagers begin Dec. 2 when they meet the El Camino quintet in the Chaffey gynasium with their season opener being played Jan. 6 when the San Bernardino Indians invade Chaffey.

On Jan. 9-10 the Panthers squad will journey to Berkeley to play Friday and Saturday night games against the University of California frosh team.

Orange Empire Conference play this season has been limited to a one-round schedule as a compromise against last year's complaint that the season was too long.

The tentative schedule as released by Shirk follows:

Home Games—
Dec. 2—El Camino.
Dec. 5-6—Phoenix.
Jan. 16—San Bernardino.
Jan. 23—Cal Poly.
Jan. 24—UCLA Frosh.
Feb. 6—Citrus.
Feb. 17—Santa Ana (practice).
Feb. 27—Fullerton.
Feb. 28—San Diego State Frosh.

Games Away—
Jan. 2—San Diego State Frosh.
Jan. 6—El Camino.
Jan. 9-10—California Frosh.
Jan. 31—Santa Ana at Tustin.
Feb. 14—Mt. San Antonio.
Feb. 20—Riverside .

Dec. 17-20 the Chaffey Invitational basketball tournament will be held in the Chaffey gym with 16 schools expected to participate. Eleven schools have already registered with the other five expected to sign up before Saturday's deadline.

PENN STATE TAKES LEAD IN OFFENSE

NEW YORK (AP)—Michigan's three-week reign as major college football's total offense leader was at an end today, with Penn State—current defensive leader—wrestling offense honors from the Wolverines.

The Penn Staters, who up to last Saturday's game had held the foe to 14 inches per play on the ground, consequently have had much more chance to display an offense, having possession of the ball on an average of two out of every three plays.

Michigan, meanwhile, which started out like it was going to set new offensive records, hit two stubborn opponents in a row—Minnesota and Illinois—so dropped to second place this week with a rushing and passing yardage average per game of 414.7, as against 427 for Penn State.

FORECAST HIGH SCORES FRIDAY

Tigers Meet Hot-and-Cold Colton Team

Local high school football fans are assured of a top-notch game tomorrow afternoon on Graber field when the Chaffey Tigers take on a fighting bunch of Colton Yellowjackets to end the Citrus Belt season.

Although the Jackets share the bottom of the CBL heap with the Redland Terriers, with whom they battled to a scoreless tie last week, they have proved their mettle by being the only league team to dump high-riding Pomona.

On the night of Oct. 24 after holding the Red Devils scoreless for most of the game they took ball on their own twenty and moved downfield in eight straight plays scoring on a touchdown pass from speedy left-half Ronnie Espinoza to right end Joe Lash to win 6-0.

Colton Coach Wally Smith today stated that he wouldn't venture a prediction on the outcome of the game. "In all the teams we've faced this season none has had me more perplexed than Chaffey. We've scouted them thoroughly and I still don't know what to think of them.

"We have a good team but it's still green and it has really played only two ballgames—the ones we won against Point Loma and Pomona.

"If we're hot Chaffey will have a fight on its hands if not our whole team might as well be on the sidelines."

Colton boasts a dangerous passer in left half Ronnie Espinosa and a couple of glue fingered ends in Lash ad Avila. Their defense stopped Pomona cold but showed more holes than a large slice of Swiss cheese aganst the Riverside Bears. They will field a line as hefty as the Tigers and have survived the season without any serious injury to players.

With tomorrow afternoon's game the last for senior members of the Tiger squad, Coach Truck Lindsey is undecided which team to start against the Yellowjackets.

The senior squad is still riddled with injuries. Center Russ Young is definitely out of the game and fullback Cookie Orsburn and guard Don Mueller are still in doubtful shape, and other first stringers are nursing bruises received in the Pomona game.

If the seniors are still in bad shape tomorrow, Lindsey will set aside sentiment and send his junior-sophomore eleven in for the kickoff.

Even they did not emerge unscathed from the Red Devil battle, as halfback Leon Sellers, who turned in the best performance of last Friday, received a hip injury and hasn't recovered completely.

However, Lindsey said today, "The boys have looked sharp in their practice right down to the last fourth-stringer. If they aren't ready for Colton now, they never will be. We know they're gunning for us and we're not running."

TWO SCHOOLBOYS

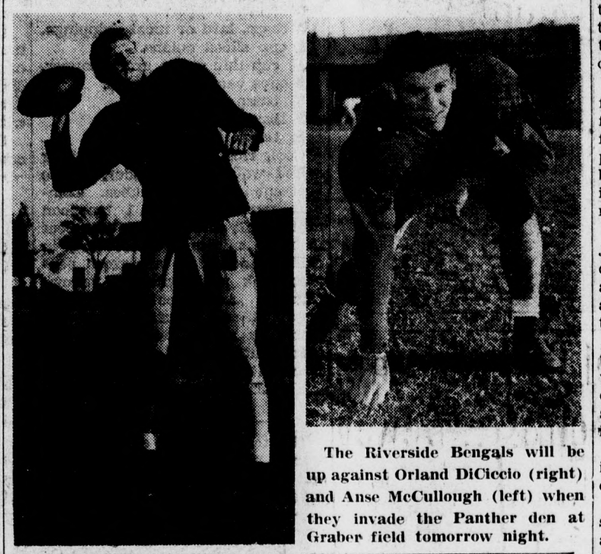
VILLANOVA, Pa. (AP)—Bob McDonnell, diminutive baseball and basketball star who joined the Phillies as batting practice pitcher upon his graduation from Villanova last summer, roomed with lanky Schoolboy Rowe on road trips.

Daily News-Herald

SPORTS

The Daily News-Herald, Thursday, November 13, 1947 Page Five

DOUBLE TROUBLE FOR RIVERSIDE



The Riverside Bengals will be up against Orland DiCiccio (right) and Anse McCullough (left) when they invade the Panther den at Graber field tomorrow night.

Pacific Coast Grid Briefs

LOS ANGELES (AP)—Speedy Jerry Shipkey probably will get the starting call at fullback when UCLA lines up against Washington, but equally hefty Moose Myers doubtless will see much action during the game.

Myers has been practicing in a defensive role this week, backing up the line with Center Don Paul. A violent line plunger, he will also get his chance at carrying the mail.

LOS ANGELES (AP)—Some of the most interested spectators at the Washington-UCLA game here Saturday will be the coaching staff and players of the University of Southern California.

The mighty Trojans meet UCLA the following week in a battle that has already sold out the huge memorial coliseum, with its 101,000-plus seats.

BERKELEY (AP)—The benchwarmers of University of California are expected to log quite a bit of playing time against Montana University here Saturday, but Coach Lynn Waldorf says that doesn't mean the Bears are overconfident.

Waldorf said he would use a lot of men against the Grizzlies even if it turns out to be a close game.

PALO ALTO (AP)—Memo to University of Oregon's football team:

Not that you boys are getting grey worrying about the Saturday encounter with Stanford's winless Indians, but Coach Marchie Schwartz says he isn't going to pull any new plays on you.

"What we have now is good enough if we can get it clicking."

Wraps Off Panthers for Riverside Tilt

The Chaffey Panther-Riverside Bengal meeting tomorrow night promises high scoring now that Coach Ray Rosso has announced that the wraps are off the Panthers and Bengal mentor Jess Mortenson, has declared his team is out to win "one way or another."

In the Riverside team the Chaffey men will face a hot-shot backfield and a sturdy line. On offense the Bengals boast a potent passing attack with two quarterbacks equally competent at heaving the ball—Nordlund and Parma.

On the ground Bengal left half Jim Jordan has earned his sobriquet of "The Jet", by breaking away time and again for long runs all the way through an opposing team.

Many Bengal rooters attribute the Bengal loss to Santa Ana, which knocked the Riversiders out of the Orange Empire race, to the sidelining of Jordan with a leg injury early in the game.

Jordan's understudy Ed Ricketts is a shifty broken field runner but erratic.

On defense the Bengals have shown themselves vulnerable to a passing attack which may lead to their undoing tomorrow as it did in the Santa Ana game last week.

Psychologically the Riversiders have the edge as they have no winning string to protect as does Chaffey and can take all the chances they see fit.

Coach Rosso's announcement Tuesday that the Panthers are going all-out has been met with enthusiasm by Chaffey rooters.

They know Chaffey has more than the defensive skill displayed in recent games and are anxious to see just how far the boys go when they are turned loose.

With Anse McCullough passing the way he did against the Cal frosh and Orland DiCiccio, Austin Snyder, Bill DeYoung and Frank Merrick maintaining their competence in ground play the Panthers should roll up one of the largest scores they've made all season.

In addition Chaffey is well-stocked with reserves which has often proved the margin of vic-

Kramer Turns Pro Nabs Top Salary

CHICAGO (AP)—Jack Kramer, twice national amateur singles tennis champion, today turned professional for an annual salary of $50,000, largest contract ever offered a tennis star.

Kramer will engage Bobby Riggs, national professional champion, in a tour opening in New York's Madison Square Garden Dec. 26. They will play from 50 to 60 matches on their tour, sponsored by Jack Harris, Chicago.

Chaffey Edges Upland 14-7

John Owens, speedy left half, sparked the Chaffey freshmen to a 14-7 victory over the Upland jayhis yesterday afternoon at Graber field.

Owens plunged over for the first Chaffey touchdown shortly after the kickoff and a few plays later ran the ball down to the Upland 10-yard stripe to set up a tally by Bob Taylor a few plays later.

Upland came back in the third period to chalk up a touchdown in six plays after recovering a Chaffey fumble on the Chaffey 30.

Although outplayed in the first two quarters the Uplanders rallied in the second half to play the rest of the game on even terms.

Amateur Baseball Supervisors Named

AMATEUR BASEBALL

WICHITA, Kans. (AP) — State commissioners who will supervise its program of non-professional district and state tournaments leading to the national meet at Wichita, Aug. 13-26, next year, were announced today by the national baseball congress.

The commissioner appointments included Dave Kelley, Sacramento, Calif.

Coast Clubs Take Steps Toward Majors

NEW YORK (AP)—The Florida weather won't be the only thing that will keep the baseball bigwigs warm on chilly December 3-5, the dates when the minor league convention holds its annual meeting in Miami.

The request by the Pacific coast league for higher classification—as a step toward major league status—and raising the draft price from $10,000 to $25,000, as well as player eligibility from four to six years, appears certain to face stiff opposition from some of the other minor leagues, namely the International league and American association.

Climaxing three years of agitation for major league recognition, the PCL has drawn up a resolution whch it has submitted to the executive council making five specific demands.

They follow:

1. The name to be used at the start of next season to be the Pacific Coast major league.
2. The creation of a new classification for the PCL—between the present Triple A and the majors.
3. No elimination on draft selection regulations except that the draft price for the PCL be increased from $10,000 to $25,000 and the draft eligibility be rased from four to six years.
4. The PCL shall follow the major league in draft selection order and precede the two other Triple A leagues, but will agree not to draft from the International leagues and American association.
5. The agreement shall last three years at the end of which period the status of the PCL shall be reviewed for the purpose of taking the final step to full major league classification.

News From Vina Danks Junior High School

Mrs. Lowell Merrill, council president, opened the meeting of the District Council of the Congress of Parents and Teachers at the Vina F. Danks Junior High auditorium Friday morning. State parliamentarian, Mrs. George Beanston, addressed the group, using as her theme "Greater Visions."

Musical entertainment included the junior high girls' chorus, directed by Mrs. Lois Yochem and the boys' choir led by John Dwyer.

Forty-one members and six guest state officers were greeted by Principal Mildred Folmar. Representatives from thirteen schools included Alta Loma, Cucamonga, Upland, Etiwanda, Mt. View, Chino, and the Ontario Central, Lincoln, Edison, Grove, San Antonio, South Euclid and Vina F. Danks Junior High schools.

Luncheon was enjoyed in the south lunch room of the cafeteria at noon.

HONOR SOCIETY MEETING

Miss Adelaide Teter, sponsor of the Junior High Honor Society, called the first meeting of the society Friday morning to elect officers for the year.

Sidney Garrett was elected to lead the society. He will be supported by Margie King as vice-president; Janet Neel, secretary and Virginia Morisett, treasurer.

Drills in parliamentary procedure were also practiced.

GIRLS' CHOIR

Mrs. Lois Yochem and her girls' choir were guest entertainers at the Chaffey Women's Church Council which met Friday morning at the Bethel Congregational church. The girls sang "Prayer Perfect" by Stevenson; Hahn's "Green Cathedral," and "Somewhere Over the Rainbow" by Arlen.

WEINER BAKE

Members of the Junior High faculty and guests enjoyed a weiner bake and social gathering at the home of Ross Anthony Wednesday evening.

FILM SHOWN

Students enjoyed a full length movie, "Schubert's Melody Master," in assembly Thursday morning.

'AMBER' DOESN'T LIVE UP TO ADVANCE NOTICES

Always feeling that any other approach would be an improvement, we found the screen version of "Forever Amber" last night at the Grove Theatre in Upland hardly up to advance notices, but a great deal more entertaining than the book.

Linda Darnell in the title role didn't do too badly considering her limitations — and Cornell Wilde struggled through as Bruce in a manner which reminded us of the "ole horse opera' days. Actually, the only person in the show who seemed to have any understanding of what he was doing was George Saunders as Charles II. But then he had history to go by and was not dependent on one of the most badly-written books of our time.

The costumes and what little there was of the history of the day were the highlights of the production. Otherwise, most of the action seemed unrealistic and jerky and lacked the smooth continuity that a good movie should have.

If you like the book and want to see it brought to life, you might enjoy the picture. Others, we're afraid, you will find it quite dull—really too dull to even be very objectionable.—Steve Kalagian.

—STEVE KALAGIAN.

Attend Institute At Riverside

With five Ontario residents representing the Ontario chapter, American Red Cross, a disaster institute was held at the Officers club, March field, on Sunday.

With Miss Charlotte Huggins, administrative assistant to the disaster director for the Pacific area, in charge of the institute, common problems to all disasters and the policies of the Red Cross were discussed.

Attending from the Ontario chapter were Mr. and Mrs. H. C. Naylor, Mr. and Mrs. Lyle Arnold and Miss Virginia Mathis, executie secretary. Mr. Naylor is disaster chairman, with Mr. Arnold as co-chairman.

Don't fail to stop at a railroad grade crossing that has been signposted to that effect. The 1947 Legislature added grade crossings where local authorities have placed stop signs to locations where the driver must halt his vehicle. The new law tied in with another which permitted local authorities to enact ordinances authorizing such signs after approval is obtained from the Public Utilities Commission.

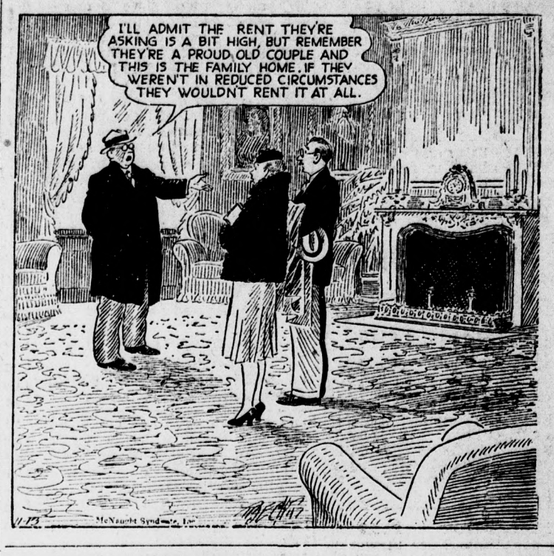
ALL IN A LIFETIME — LIFE'S LITTLE PROBLEMS



FUNNY ANGLES — by Angelo

"Murals, mom!"

Colleges Agree On 'Simon Pure' Code

NEW YORK, (AP)—A standardized code which among other things forbids financial aid to athletes if the same assistance is not available to non-athletes has been agreed upon by 53 eastern colleges, joining to form the largest athletic conference in the country.

By subscribing to the new constitution, each school promises to abide, by the code which makes mandatory a year's residence for freshmen and transfer students and which provides that in no case may financial aid exceed tuition plus institutional incidental fees.

Announcement of the new organization and its compact was made here yesterday by Asa S. Bushnell, commissioner of the Eastern College Athletic conference. Bushnell headed the old organization, a somewhat looser federation of intercollegiate leagues and associations that has operated under a central office for the last 10 years.

CITIES OF FUTURE WILL SPRAWL AS THEY SHRINK IN POPULATON

AP Newsfeatures

NEW YORK—U. S. cities had better make up their minds they will continue to lose population and may eventually have about half as many residents as they have today, says the Tax Institute in its quarterly publication Tax Policy.

The institute, a national organization for the study of tax problems, pictures the city of the future not only as having less people, but of being somewhat larger in area. Transport facilities are likely to take up far more space than at present and the institute believes there should be spacious public buildings; plazas, shopping, art, education, and religious centers; parks and parkways.

Land in cities of the future is likely to be a drug on the market unless apropriated for such purposes as in any case there is likely to be considerable reduction in land values, the institute suggests. Detached dwellings with grass plots may well return to curently congested areas.

Suggesting that traffic congestion is one of the major problems, the institute denounces current reasoning which insists that "If we improve traffic conditions, it will encourage more people to start commuting and that will intensify urban blight and also result in further traffic congestion."

So the institute says, we have people advocating or at least implying that we mustn't make it easier for city dwellers to have cars and use them, that we should discourage suburban development, and that we should try to bait the outgoing population back into the city."

A period of confusion is likely to prevail while the present cities are converted to their future status, but the institute predics a greater stability for urban land values once the process is complete.

TRAFFIC, A PROBLEM—This Philadelphia congestion, result of a transport strike, shows how bad things can get

Surveying present trends, it deduces a picture of the typical future city. As a political and physical entity it would be much less clearly defined than the present city. It would merge gradually into the countryside.

Although resident populations might be only half as numerous as at present, there would be three other classes of population which would be increasingly important. There would be the semi-residents who would often leave the city for week-ends and at other times. There would be a sharp increase in the number of commuters and there would be a heavy increase in "contact populations" who would work and live outside the city but who would make frequent trips to the metropolitan area.

The city of the future will be a "fluid city." It will be the hub of a great regional community, or community of communities."

"Suggestions for a new type of metropolitan government embracing the central city, satellite cities, suburban fringes and even contiguous rural areas have already been put forth by thoughtful persons," the study observes. "A new pattern of local government must of necessity be evolved to fit the new type of urban-city economy."

WHAT'S COOKING Today?

CREOLE BEEF WITH RICE

1 cup raw rice.
1½ lbs. beef round or chuck.
½ teasp. dry mustard.
One-third cup flour.
2 teasps. salt.
¼ teasp. pepper.
3 tbsps. lard or meat drippings.
1 cup sliced onions.
½ cup thin strips green pepper.
2 cups canned tomatoes.
½ teasp. paprika.
1 tbsp. lemon juice.
½ teasp. sugar.

Cook rice in 1½ quarts boiling salted water until tender. Have beef cut in 1½ inch cubes. Combine mustard, flour, 1 teaspoon of the salt and pepper; roll beef in flour mixture. Melt lard in skillet; add onion and green pepper; cook until onion is yellow; remove. Add meat and brown on all sides. Return pepper and onion to skillet with remaining ingredients. Cook until tender. Serve with rice.

YIELD: 6 servings.

The tender leaves of the mock orange plant taste like cucumber and were once, in Elizabethan days, used in salads.

CLUBS ... SOCIETY

COLLEGIANS ENJOY FIRST DANCE SPONSORED BY AERONAUTICAL MEMBERS

Under the sponsorship of the Chaffey college Aero club over 400 college students enjoyed a dance Monday evening at the Chaffey Hangar at the International Airport.

Chaffey collegians danced to the music of an eleven-piece orchestra of Franky White, of San Bernardina who is a former Chaffey student. The hangar was decorated with potted plants and flowers.

Refreshments of punch and cookies were served during the evening. Arrangements for the event were made by Aero club members under the direction of the club presidents, Peter Cherbak and James Miller.

Faculty members attending the first dance included the Mssrs. and Mesdames Gardiner Spring, Leo Wadsworth, Arthur Flum, Jack White, Donald Wright and Svend Pedersen, Olaf Snyder and Miss June Teitsworth.

Club Notices

PROGRAM TONIGHT

Upland Business and Professional Women's club will be hostess this evening at 6:45 at the Upland Woman's clubhouse to an inter-club meeting and dinner program.

REBEKAHS MEET

First nominaton of officers for the coming year will be made by members of the Upland Silver Link Rebekah lodge when they meet Friday at 8 p. m. at the Odd Fellows hall.

Townsend Club Council Members Call Meeting

All council members of the Townsend club, No. 1, are asked to meet tonight at the home of Mr. and Mrs. Arthur Payne, 206 East Caifornia boulevard, for the transaction of business, including the organization of the council.

The regular weekly meeting will be held Friday, 7:30 at the Ontario Woman's clubhouse.

Stewed roses and primroses once were popular continental desserts.

Mrs. Kough Heads Local Eastern Star

Mrs. Clara Kough is the new worthy matron of the Upland Eastern Star lodge while Walter Horak is the new worthy patron following celebration of the 30th birthday of the Upland lodge at a turkey dinner and program held at the Masonic temple Tuesday evening.

Mrs. Maude Grahame is the past worthy matron while E. Tweed Stone is the former worthy patron of the lodge. There were 104 present for the dinner and meeting.

Others named to serve with the officials were Alta Lawyer, associate matron; Ray Lawyer, associate patron; Clara Snowden, conductress; Elizabeth Wisely, associate conductress; Anne Deverts, re-elected secretary; and Francis Gilmore, re-elected treasurer.

According to Mrs. T. M. Settle, publicity charmian, the other officers will be appointed at a later meting.

Be sure to have your vehicle equipped with a windshield if you want to avoid a run-in with the law. Under an act passed by the 1947 Legislature, every passenger type vehicle, other than a motorcycle, must have a windshield. The requirement under the old law that motor trucks, truck tractors and fire apparatus have windshields also was continued.

Upland Chief To Crime Probe

Eugene L. Mueller, Upland chief of police, will leave Sunday morning for Sacramento to attend Monday and Tuesday's sessions of the state Survey on Crime and Law Enforcement called by Governor Earl Warren.

Making the trip with Mueller will be Vernon Rasmussen, Glendae police chief, and Clarence S. Morris, Pasadena police head.

A searching analysis of all facets of crime in California will be undertaken at the two-day session, Chairman Richard A. McGee said today in Sacramento, the Associated Press reports.

"Each of the five new crime commissions will undertake to explore its own special field during the next two years," McGee said. "Interim and final reports will be made to the director of corrections. From these specialized studies and reports we expect to gain much valuable information. Ground work for these investigations will be laid at the conference."

Chamber Meeting Called To Consider Christmas Decoration

The views on Ontario's merchants on the questions of Christmas decorations, merchandise previews, and store closing hours will be aired tomorrow in a mass meeting scheduled at the city hall council chambers.

Joe Downey, chairman of the retail service committee of the chamber of commerce, has announced the meting for 10 a.m.

J. Russell Eck, chamber president, said today only those firms which are represented at the meeting will be eligible to ballot on the topics presented.

Hold Police School

The Pomona police department has, announced a police photographic school, under F.B.I. direction, is to be held starting next week. Officers of the Ontario department are scheduled to attend.

Flag Pole Cut at Memorial Hall

A case of malicious mischief, presumably the work of juveniles, was reported to police yesterday by H. H. Poppin, 432 Monterey street, Ontario.

Mr. Poppin said that the rope on the flag pole at Memorial hall, 209 East I street, had been cut twice within the past week.

To clean a home freezer, use a solution of baking soda and water, but never soap of a caustic solution.

Name Successor To Admiral Nimitz

WASHINGTON, AP — President Truman today announced the appointment of Adm. Louis E. Denfeld as chief of naval operations.

The President announced Denfeld's selection at a news conference. He said the new chief will succeed Adm. Chester W. Nimitz when the latter steps out soon.

Denfeld now is in command of the Pacific fleet.

Lake Mead behind Boulder Dam has a shoreline 500 miles long.

RAIN
Great stuff for crops . . R-O-U-G-H on old, worn roofs!

One way to approach the problem of a leaking roof is to have plenty of pots and pans on hand to collect up the water. The BEST way is to have a check-up made while the weather is still clear, and repair or replace worn roofing with PABCO Roll Roofing.

90 lb. Roofing.....3.30 roll
45 lb. Roofing.....2.40 roll
55 lb. Roofing ..... 2.70 roll
Alumishield ..... 4.85 roll
Also available in Dutch Lap shingles.

Keep the "great outdoors" on the OUTSIDE with PABCO roofing.

ONTARIO RED CROSS

Designate November as Enrollment Month for Junior Red Cross

P8—DESIGNATE NOV. .....(34

The month of November has been designated by the Ontario Red Cross as the enrollment month for Junior Red Cross activities.

"One hundred per cent enrollment for service in the American Junior Red Cross is the goal set for the schools of Ontario," Miss Stroud, Junior Red Cross chairman for the Ontario chapter said today in announcing the start of the campaign.

In explaining the work of the Junior Red Cross, Miss Stroud said, "membership in the organization gives boys and girls an opportunity to pledge themselves to help meet the needs of their community, their country and the children of other lands."

Through its National Children's Fund, the organization is providing printing equipment for the printing of educational literature for the schools of Czechoslovakia, Greece and Italy.

Locally, members of the Junior Red Cross have filled and sent 232 educational gift boxes to wartorn countries, collected 1,707 textbooks which were sent to the Philippines to be used in the schools there, made 30 Braille covers for the Junior Red Cross News magazine, donated $250 for the children's fund, and assisted in the Red Cross swimming program at the Chaffey plunge.

The groups will engage in similar projects during this year's activity, and will also include a new field of international correspondence.

NEW BOOKS
Ontario Library

Did you know that your library has full information on the 21st Annual Soap Sculpture Competition? Sizeable money prizes are being offered, so if you like to sculpture in soap, or have had a yen to try it, ask at the desk in either adult or juvenile departments for the information, suggestions and entry blanks.

Do not fail to visit both departments of the public library next week, during book week. In the children's department, new books will be on display. In the adult department there will be three different book displays, one will be on the theme for book week: Books for Tomorrow, which will include plastics, jet propulsion, atomic theory, the United Nations, etc. The second will be the fifty best books of the year (1946), of which the library has thirty-six, and the last display will be that of local authors, those living in and near Ontario. To date the library has located twenty-three local lights.

If you wish to put in a reserve for any of the material on display the library is giving the reserves free for the week of Book Week only.

Leonard Frankish has presented the library with a lithograph of early Ontario. This also will be on display during Book Week.

Two interesting reference questions came up recently. We wonder if they indicate trends in Ontario? The first was a request for plans for small business and professional buildings. This was good. The other was a request for the requirements for teacher certification in states other than California. We hope this latter request does not indicate that our hardworking California teachers are planning to pack up their bags and leave us!

Don't forget to plan to send your children to Story Hour each Saturday. This program, planned especially for the children, will be of value to them all their lives. Start them young, and keep them coming!

LAS VEGAS (AP)—The neighboring ghost mining town of Rhyolite has found bidders in 50 German ex-soldiers who want to "start all over."

Mayor E. W. Cragin of Las Vegas said he received a letter from Erich Baerwindt of Hamburg offering to pay $10,000 on terms for the 50 war veterans whom he described as jobless and homeless.
